

# TAC TIMES

A Publication of the Tidewater Anglers Club

Next Meeting: April 11, 2017  
Meeting Time: 7:00 pm  
Meeting Place: Bayside Presbyterian Church  
Speaker: Denny Dobbins and Bret Noel  
Web Address: [Tidewateranglersclub.org](http://Tidewateranglersclub.org)

## **MEETING ROOM CHANGED to ROOM 508 BECAUSE of BLOOD DRIVE**

### **Dual Speakers This Month**

#### **Children Summer Fishing Program**

Denny Dobbins, President of the Portsmouth Anglers Club, will tell us about the club's very active children's fishing adventure this summer. Called the "Children's Sunshine Program" the club plans to take about six hundred kids fishing over this coming summer. To be able to do this they need a lot of adult supervision which is where we come in the picture. They need our help to be with these children and help them with fishing fundamentals. Some of the events will be on head boats while others will fish from the Ocean View Pier. The events will be spread over several different days over the summer months. Denny is looking for some mentoring help from our membership to make this undertaking go smoothly.

#### **The Ins and Outs of Cutlery**

As we all know good knives can be a real friend in our spots. Bret Noel is someone who knows a lot about this subject. As a representative of the Cutco Knife Company he has developed a lot of knowledge about knives and will be at our meeting to impart some of it to us. Bret is going to tell us how to correctly sharpen knives, store them and select the right one to use for different jobs.

### **2016 ANNUAL AWARDS BANQUET Our 76<sup>th</sup>**

The banquet was held at the Aberdeen Barn Restaurant on March 11<sup>th</sup>. It was a lot of fun with eighty four members and guests in attendance. As usual the food and service were excellent and nobody came away hungry. We had a large variety of raffle prizes from fishing rods to restaurant gift certificates to lovely baskets. If you were not there you missed a wonderful time.

Phil Townsend with his Worker of the Year Award

Carl Lilieberg 1<sup>st</sup> place Flounder Award

Mike Sellers 2<sup>nd</sup> place White Perch Award

Buster Best Fish of the Year Trophy

Carl Herring accepts one of his Prize Fish Awards

Steve Harding accept one of his many Prize Fish Awards

## Family Fishing Day at Lakes Cohoon & Mead

The club is planning to have a day of fishing for the whole family on April 14<sup>th</sup> at Lake Cohoon in Suffolk. Everyone is invited to come and bring the family. Registration will be at our May 11<sup>th</sup> meeting and at Lake Cohoon from 7:00 to 9:00 am on fishing day. Fishing starts at 7:00 am and you must be in the weigh in line at 3:30 pm. Registration cost will be \$10.00 per fisherperson and the money will be divided between the 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place winners. Winning fish will be decided by the fish that is the largest per cent of state citation weight for that species. This means a Blue Gill can win over a Large Mouth Bass everyone has an equal chance to win. You can rent boats and electric motors at the on-site bait station. You must purchase a day fishing license for the lakes and have a state fishing fresh water license if you are required have one. If you want additional information call Carl Herring at 593-3333 and leave a message if he does answer

## Fishing with our Vets 2017 pier schedule

# Hatteras Surf Fishing Trip

## Everyone is invited

From Guy Flibotte, TAC Member

TAC Members and Friends

The date for the Hatteras Surf Fishing Trip is **May 2-4, 2017**.

I plan on going down Tuesday May 2, and return home sometime (late?) May 4.

I think everyone enjoyed staying at the Cape Pines Motel, in Buxton, last year. You can stay anywhere you like. Looks like the rooms at Cape Pines Motel are \$109.00 per night. If you plan to attend I would make reservations by mid- March if not earlier.

This is not a Tidewater Anglers Club sponsored event. Anyone interested in going is responsible for their own reservations, food, license, beach access permits, and bait. Last year we ate breakfast and dinner out, and lunch on the beach. Breakfast was in the \$12.00 range and dinner was in the \$20.00 range. I would suggest getting your blood worms here before you go down; hate to see you get down there and not have them.

Last year's Hatteras trip was in April and the weather can be unpredictable. So, that is why I changed it to May. Species: Sea Mullet, BIG Red Drum, Blow Toads, Pompano, and maybe a trout.

If anyone has any questions they can contact me, Guy Flibotte, on my cell at 757-335-3186.

### **From the President,**

The Hatteras surf fishing dates were chosen based on our lack of catching last Spring and our optimism for these 3 days this year. Since everyone would make their own reservations and "team" arrangements, it is an event that is not club-sponsored, but available to any member who wants to go. The more we have, the better beach coverage we have the better the odds we can share info and increase everyone's catch. If some want to go earlier or stay later, they can do that, too.

TAC needs a Secretary to record our meeting minutes to make the record of the club's activities and decisions. The minutes help hold the board accountable to our members and are a "map" of where the club has been and where we are going. Please call me at 757-288-7242, if you would like to volunteer.

We want to recognize even more of you as Prize Fish Award Winners at the 2018 Banquet, so please take the TAC Prize Fish forms with you when you go fishing – take them and your fish to a weighing station on your way home to have the weigh-master record the weight and length and girth (as appropriate). Then give the completed forms to Mike Sellers.

### THE ANNUAL PRIZE-FISHING CONTEST RULES and CONDITIONS - AS REVISED IN January 2009

1. All blanks, except girth, on entry forms must be completely filled in to be considered for an award.
2. **This contest will run from January 1 through December 31.** Entry forms must be in the hands of the Prize Fish Committee by the second meeting following the date of capture. **Exception:** Entry forms for fish captured in December must be in the hands of the committee by the next general club meeting in January. Any entry forms not received within this period will not be accepted.
3. The territorial limits for this contest shall be the entire states of Virginia, North Carolina, and Maryland.
4. Only fish taken on hook and line during the open season and from waters open to the public for fishing are acceptable as entries. No assistance at the rod or line shall be permitted, except holding the leader while the fish is being gaffed or boated. There are no restrictions on tackle specifications.
5. This contest is open only to members of the T.A.C. **whose dues have been paid before the date of capture.**
6. Fish must be weighed on tested public scales in the presence of one signing witness. Fish will be judged to the nearest ounce.
7. No member shall receive more than one award for the same species of fish in the annual contest.
8. Entries in the monthly contest will be considered in the annual contest for size and weight only if they are among the established annual classes and meet the rules on this page.
9. Acceptability of fish entered will be entirely within the discretion of the Prize Fish Committee, whose decision will be final.
10. In case of a tie, length, then date of capture, then first fish submitted will be used to determine the winner.
11. Regular Awards based on **weight**: eligible fish must be at least 50% of the minimum **weight** required for a Virginia Citation.
12. Release Awards based on **length**: eligible fish must be at least 75% of the minimum length required for a Virginia Citation rounded up to the next inch.
13. Junior Awards: there is no minimum length or weight requirement, all fish are eligible. (Juniors—members age 15 and under).

### HOW TO MEASURE

### LENGTH
